New three major night views of Japan Sapporo

Sapporo City has been listed as a city with one of
the new three major night views of Japan.

日本新三大夜景
(一社)夜景観光コロシアムインビューロー観光

From the top of the 531-meter-high mountain, you can
admire seeing tall buildings reaching to the sky from
amidst impressive Ezo spruce trees and hearing people's
buzzling voices and black woodpeckers' singing.

The vast nature of Hokkaido and the big city of Sapporo
weave uniquely majestic scenery in the world.

You too can experience this luxurious experience.

Restaurant **THE JEWELS**

Enjoy authentic French
cuisine amidst the glittering
night view from a first-class
seat at the highest place in
Sapporo.
